

## EYELASH GROWTH SERUM

Rm15

**CASTOR OIL FOR EYELASHES:** Catch Everyone's Attention With Beautifully Long And Thick Eyelashes. The Mascara Wand That Comes With This Castor Oil Will Make It Easy To Apply The Oil On Your Lashes and Brows. Wake Up To Mesmerizing Long Eyelashes.

For optimum results, use for 1-2 months as directed. Start with a small amount. Apply the oil to the base of the eyelash roots a couple of hours before going to bed. This will foster growth and allow full absorption of the hair. Upon waking up, gently remove the oil using makeup remover or water.

## GROWMORE- CASTOR HAIR MASK

100ml : rm28.80

GrowMore Hair Mask contains a very high level of ricinoleic acid combined with fatty acids. This natural hair mask penetrates and nourishes the hair shafts and roots, improves follicle and scalp health, prevents hair loss, reduces split ends and makes your hair smoother, shinier and thicker.

Massage hair oil into your hair and scalp, then spread all over the hair. Keep it for an hour and wash it with shampoo thoroughly. Repeat 2-3 times per week.

## ARGAN LOTION

50g (rm24)

Now with the blend of Argan oil together with Lavender and Rose Geranium essential oil and Vitamin E, we have come up with a body lotion that will work wonders for your skin.

Our Argan whipped lotion leaves your skin feeling moisturized and nourished and it absorbs quickly into the skin, leaving it feeling smooth, hydrated and completely wholesome, with no oily residue. Your skin will be wrapped in moisture and gently scented with a warm and luxurious fragrance so make sure you use this every day.

## GINGER HAIR SHAMPOO

RM35

The ginger contents in this shampoo helps to stimulate scalp follicles, nourishes strands and combats hair loss. Ginger has antiseptic properties that help to reduce scalp infections, dandruff, dry and itchy scalp. It contains natural anti-inflammatory and antiseptic properties that helps to keep scalp healthy and clean.

This ginger shampoo regenerates hair structure and increases hair volume. It is loaded with all the essential vitamins, minerals and oils that help in promoting hair growth naturally. Being rich with all these, it makes hair more manageable, softer and shinier without leaving hair greasy.

## GINGER HAIR CONDITIONER

RM35

The unique oils in ginger double as potent antioxidants that also helps to protect your hair against damage of free radicals and harmful effects from the sun. Ginger Conditioner gently soothes the scalp and strengthens weak locks, nourishes and hydrates hair while providing manageable hold.

It provides excellent curl definition, smooth edges and helps with frizz reduction for your daily hair regimen. Our Ginger Conditioner has a mild scent of natural ginger and the fragrance is not overwhelming.

## HONEY HAIR SHAMPOO

RM38

Richness in antioxidants of honey prevents free radicals from damaging your hair, promoting hair growth while also enhancing hair texture and look. Honey also contains antiseptic and antibacterial properties, therefore is effective in preventing scalp infections, helps to soothe and deal with scalp issues such as dandruff, psoriasis and eczema. Aside from this, it can also maintain the cleanliness of scalp, keeping it free of bacteria and preventing itchiness. This rich moisturizing shampoo penetrates deep into the hair fibres to restore flexibility.

## HONEY HAIR CONDITIONER

RM38

A great, effective conditioner that nourishes and moisturizes your scalp and tresses and keeps the moisture locked in your hair. The result is ultra soft and shiny hair. It can also instantly detangle while infusing hair with intense moisture and shine-enhancing nutrients.

Apart from hydrates, strengthens, replenishes dry and damaged hair, this hair conditioner formulation of restorative oils helps to nourish and soften dry, brittle hair and prevents split ends and breakage. A great natural hair conditioner for revitalizing lifeless, limp and dull-looking hair !

## HERBACEOUS HAIR SHAMPOO

RM36.50

Herbaceous shampoo is made of natural ingredients such as flower, seeds, roots and leaves of medicated plants. One of its main benefit is reduction in hair fall. Advisable to wash hair with the herbal shampoo at least once a week to reduce hair fall in a natural way.

Herbaceous Shampoo also helps in strengthening the roots of hair which in turn helps in increasing the growth of hair. Aside from these, it also helps in increasing the shine of the hair, restore smoothness, taming frizzy hair, treating split ends and dandruff.

## HERBACEOUS HAIR CONDITIONER

RM36.50

Strengthen hair with this plant-derived conditioner that has been shown to reduce damaged hair, minimize hair fall and protect hair from damaging effects of the sun.

As this conditioner helps in taming unruly, curly or highly frizzy hair, highly recommended to use for those with extremely thick and unmanageable hair.

Keeps hair tangle free, soft, manageable while helping to maintain and achieve longer, stronger, fuller and healthier-looking hair. Safe to use for relaxed, permed, color or chemically treated hair.
